Tips on wiring money

Wiring money is just like sending cash. Help protect yourself by knowing how to spot the signs of a scam. Red flags include pressure to send right away, investments that promise high returns, unexpected requests from impersonators posing as well-known organizations, and last-minute changes to established wire instructions. Consider consulting a banker before you wire money.

Telephone us at the number printed on the front of this statement or write us at Wells Fargo Bank, P.O. Box 6995, Portland, OR 97228-6995 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

■ **In case of errors or questions about other transactions (that are not electronic transfers):**
